Changes to Freedom Pass Travel Times

From Wednesday 18 January 2023, the temporary suspension of free travel for Older Person's Freedom Pass and 60+ London Oyster photocard holders between 04:30 and 09:00 on weekdays, which was put in place during the pandemic, will become permanent.

Low ridership during the pandemic has had a devastating impact on TfL's finances. TfL has had to therefore obtain extraordinary funding from the government to keep running.
