Masaaki, here is some information on tennis. There is no waiting time to join the club.

If you join in May for next year to end of March 2024, the adult tennis membership fee is £352 plus a one-off joining fee of £20.

You asked about booking availability; at busy times on Saturday and Sunday, it is a courtesy to book just one time slot of 90 mins per day. During the week, there are lots of courts available and playing more than once a day is no real problem.

It is a very friendly club with a wide range of local members.

You could try out on Wednesday night social at 7pm which is well attended and plays all through the year; there is no fee, it is part of the membership fee. You could come along this Wednesday to try it out.

Or if you want to have a look around, come on Saturday or Sunday at 2pm when the weekend social takes place. You could come and play before you join.

The tennis courts are open from 7am to 9pm and the Club house is open. The tennis is thriving and we have a lot of active members. There are sessions for adults and juniors. If you want more details on the coaching, their contact numbers are below.

Our coaches, Chris Maher (07956 238424) cjnmaher@gmail.com and David Singh (07958 538814) dsfm14@gmail.com. There are coaches for adults and children – you pay the coaches directly and they charge around £50 an hour for individual lessons, £10 for group coaching. Club sessions are on Wednesday at 7pm. There are group sessions for juniors which are popular. As a member, you book courts up to 72 hours ahead; courts are at no charge; evening courts £5 an hour if you need lights; occasional guests are now allowed with a fee £8 an hour.

At the moment, the Covid restrictions are lifted.

Once you are ready to join, I will join you so **please don't try to enrol yourself**. If you let me have your details, I'll set up your membership with one of you with a discount.
